PIPER

I did something kind of bad... and I was doing my time for it. And then I did this, uh... I did this other thing. I did this really, really bad thing and I think maybe I'm going away for it... for a long time. I don't know if I kill her. I don't know. I mean, this girl... this girl, she was coming after me and she was not gonna stop. And she... is... or was... she was... relentless. I mean, just crazy. So, so crazy. And I completely lost it. I just, uh... I just went there and I didn't... I didn't even really know that there was a "there" there. But, uhm... I don't know if it just grew there recently or if it's always been there, but that really... that dark place. That place... that let me just keep on hitting her and hitting her and... and... hitting her. I couldn't stop. I couldn't stop.
