What it means,  
you don't want to do chemo?

GUZMAN, 18, with OMAR, 18, reach ANDER, 18. ANDER is suffering from cancer and has not yet told GUZMAN.

GUZMAN

So you kept quiet about that too?

ANDER

You told him?

OMAR

Sorry, Ander, I had to -

ANDER

I told you not to tell anyone.  
It's my business.

GUZMAN

What did I do to deserve to be  
left out of the loop?

ANDER

Nothing. Nothing wrong. You were  
right... I hid the fact of Polo  
from you and now I'm rotting  
inside.

OMAR

No way.

GUZMAN

What?

OMAR

Don't tell me that's why you don't  
want to undergo chemo.

GUZMAN

What it means, you don't want to  
do chemo?

ANDER

Go away Omar.

OMAR

Are you serious?

ANDER

Go away.

GUZMAN

Ander, why don't you want to  
undergo chemo? Do you want to die?  
You're going to the hospital, even  
if I have to drag you there.  
Understood?

(Beat)

No matter what you did, it has  
nothing to do with this. Nobody  
deserves that.

GUZMAN and ANDER are now looking into each other's eyes.
