HEATHER, 35, is a TV-host. She finally pours her heart out to her co-host JANET, 35, about her experience parenting ELLA, 9.

JANET is a transgender woman and had a discussion with HEATHER during a previous show.

HEATHER

Janet. Before we go out there there's just... there's something that I need to say.

JANET

No need. I got your number.

HEATHER

No you - you don't. You really, really don't have my number. I know that I was asking you a lot of questions but it's not because I'm judging you -

JANET

You're totally judging.

HEATHER

I am not judging.

JANET

Please, you beat all the governor of North Carolina for transphobe of the year.

HEATHER

I am not transphobic! I'm not. My son is - oh, I guess he's my daughter - *she* is my daughter. *She* is a trans.

JANET

Brian Junior?

HEATHER

(nodding)

Ella.

JANET takes HEATHER's hands.

JANET

Is it the first time you say it out loud?

HEATHER

Yes.

They smile.
