TIFF is walking. DOUG is few steps away.

DOUG
Tiff! Hey! Where are you going?

TIFF
Just away from here.

DOUG
You okay?

TIFF
I'm fine, Doug.

DOUG
We have class in, like, five minutes.

TIFF
Yeah, I'm not going.

DOUG
For why?

TIFF
You wouldn't understand.

DOUG
I could try. I would like to try.

TIFF
You know, we're very different. You and me. You know that, right?

DOUG
Uh... I should've just shit in front of you. I... when I was shitting today, I kept thinking, "She shits, too. You'll have something in common". It's like, I could be the guy who shit in front of you. Listen, you terrify me, but I just... I just like you. So let's be friends. 'Cause I - I think you wanna be my friend. Okay, friends?

Beat.

TIFF
Tuesday. 7:00 p.m. You pick the place.

DOUG
This a... this a date?

TIFF
See ya, friend.
